

TUTELA TRANSMISSION ATF 120 Cod. 1463

DESCRIPTION

Fully synthetic ATF lubricant for automatic transmissions, particularly suitable for severe working conditions; it ensures drain interval's extension.

CHARACTERISTICS

Due to high wear protection, high thermal stability, improved value of shear strength and drain interval's extension, it guarantees maintenance costs saving.

- Very high thermal adaptability thanks to low viscosity variation with respect to temperature in cold and hot zones.
- Even in extreme weather conditions, it ensures high working comfort.
- Tutela Truck ATF 120 is a product developed to be used in ZF Ecomat gearboxes.

ADVICE ON USE

Replacement according to manufacturer indications.

RECOMMENDED BY

IVECO-IRISBUS
